

2.5.3 Status of automation of Examination division along with approved Examination Manual/Ordinance.

Answer :

The 'Examination' module is an integral component of Samarth, an e-Government ICT initiative by the Ministry of Education, Government of India. Key features of the Samarth Examination Module include:

1. Examination Registration: Streamlined registration process for examinations.
2. Admit Card Generation: Efficient generation of admit cards for eligible students.
3. Mark Extraction: Facilitation of extracting both Internal and External Examination Marks.
4. e-Grade Card Generation: Seamless creation of e-Grade Cards for students.

Through the student portal, students can conveniently download necessary documents. This integrated system has significantly reduced the time required for results processing and declaration, thereby enhancing the overall efficiency and transparency of the examination process.

Automation Process was initiated in 2022 and completed the process by May-2024 achieving 100% Automation.

Controller of Examinations

परीक्षा नियंत्रक / Controller of Examinations
कर्नाटक केन्द्रीय विश्वविद्यालय
Central University of Karnataka
कलबुरगी / KALABURAGI.
