contribution in the field of **Hydrogeology and Environmental  
Geochemistry** - reg.

Dear Prof. Aslam Ji,

On behalf of Executive Council (EC) and own self I am pleased to inform that you have been selected for the award of "Dr. Sudarshan Pani- Dr. (smt) Rama Dwivedy Medal" for the best contribution in the field of **Hydrogeology and Environmental Geochemistry** for the last ten years i.e. **2009-2019**. Congratulations for the achievement.

The medal and a merit certificate will be awarded to you at the Annual General Body Meeting (AGM-2019) of the ISAG scheduled during 29-30 November 2019, at the Department of Geology, Adikavi Nannaya University, Rajahmundry, Andhra Pradesh-533296. You are requested to receive the medal and certificate personally.

Further, the medal awardees have to do oral presentation of their work for 20 minutes (15 minutes + 5 minutes discussion) during the presentation ceremony and submit the material as an article to be published in Journal of Applied Geochemistry (JAG). The medal winner has to submit article compulsorily for publication in JAG. Please email full article urgently.

Please provide passport size photo (B & W) and a brief **Bio-Data** and travel programme immediately.

**Please confirm your participation.**

Yours sincerely

Dear Prof. Dr. Bharat Kumar,

Sub: ILCS Bronze Medal Award

The Indian Liquid Crystal Society (ILCS) intends to honour its renowned researchers/ academicians with the newly instituted Bronze Medal (BM) award and other recognitions.

Throughout the years, ILCS has witnessed your steady academic growth with commendable scientific contributions in Soft Matter, particularly Liquid Crystals. The Society has also noted your invaluable contributions in the domain of teaching/administration and overall professional accomplishments. It is indeed a great privilege for the Society to honour you with the Bronze Medal (BM) award for the year 2019. The schedule for presenting the award lecture will be intimated in the coming years.

The ILCS Council sincerely hopes for your acceptance of these recognitions and your participation in the activities of the Society.

On behalf of the ILCS Council and Awards Committee, we send you our warmest congratulations.

We appreciate receiving your affirmative response at the earliest.

With warm regards,

## Description

Citation metrics are widely used and misused. We have created a publicly available database of over 100,000 top-scientists that provides standardized information on citations, h-index, co-authorship adjusted hm-index, citations to papers in different authorship positions and a composite indicator. Separate data are shown for career-long and single year impact. Metrics with and without self-citations and ratio of citations to citing papers are given. Scientists are classified into 22 scientific fields and 176 sub-fields. Field- and subfield-specific
