

STATUS OF ACTION TAKEN BY THE CENTRAL UNIVERSITY OF KARNATAKA, KALABURAGI ON MENTAL HEALTH STATUS

Sl. No	Name of CU	Name of the Incharge with his contact details to monitor and maintain good Mental health of students and faculty in the CUs	Facilities set up to monitor and maintain good mental health of students/ Faculties	Steps taken to create awareness among students/ Faculties about facility	Number of students / Faculties benefited from this facility	Any issue
1	Central University of Karnataka	Prof. Channaveer RM, Director of Students Welfare (DSW) Ph. 9481865044 drchannaveer@yahoo.com	<p>A: Academic Counselling Team : A team has been constituted with nine teaching members of the faculty from the Department of Psychology and Social work to cater to the mental health and well-being needs of all students and staff. These Counselling experts' names have been published in the official website of our university and their services are made available round the clock to assist students and staff of the university.</p> <p>B Mental Health and Wellbeing monitoring committee : A committee has been constituted with staff representing various departments and administrative sections to closely monitor the mental health activities and the overall activities initiated by the university on a day-to-day basis.</p> <p>C: Medical Assistance: Medical Doctor and paramedical staff of the University health centre are also assisting the students and faculty on round the clock basis.</p> <p>D: Campus measures : Intensive measures have been taken to restrict the entry of people into the campus from outside by tightening the security system with check up at the main entrance gate of the University. Furthermore, Arrangements have been made to distribute face masks and hand sanitizers to the staff living in the university campus.</p>	<p>a. Vice Chancellor's direct Intervention : Honb'le Vice Chancellor has sent an official letter to all students with the purpose of encouraging all students to make them comfortable to Keep in touch with Mental health counsellors as well as their respective department heads, Coordinators and Deans for any assistance at any time. This direct intervention has resulted in building confidence in the minds of students to start interacting with their teachers and administrative officials on regular basis.</p> <p>b. Teachers' direct interaction with students: All teaching members of the faculties have been directed to interact with their students and provide their students necessary psychological support on daily basis through online as well as through telephone.</p> <p>c. Peer counselling for Students : Students from the Department of Psychology have formed a peer support group to extend their support to their peer group online. This peer support group can make better result among students community.</p> <p>d. Circulation of ICT resources: University administration has taken initiatives to share ICT resources among students online.</p>	The University has just started the process. Almost all the students and faculty member will get benefited out of it.	Facilities may be provided to the university to set up Moodle platform to conduct regular classes and to conduct internal assessment on regular basis. Further, online classes may be conducted to train teaching faculty to use technologies to create online learning resources and delivery of knowledge online. Teachers find it difficult to interact with students who live in remote places where the Internet connectivity is interrupted often. Statistical software like SPSS must be made available for Students who are analysing their research data for Project, dissertation and thesis. Furthermore, Online research data like ProQuest, EBSCO, ,PsyINFO must be made freely available for the students during this period.
