### 7.1.5 Green campus initiatives

The Central University of Karnataka is maintaining an eco-friendly campus. The CUK campus has 654 acres of hill top barren land with impressive plantations, lawns, opulent greenery besides inroads, school complex etc. The campus hosts good fauna and flora and is conducive for creating an eco-zone with multiple water bodies, green cover that attract additional flora and fauna. The ambience is providing healthy environment to the residents. The campus has been receiving a good amount of rainfall. Following works has further reinforced our green campus initiatives.
