7.2 Best Practices

7.2.1 - Describe two best practice successfully implemented by the Institution as per NAAC format provided in the Manual

Best Practice: 1

Title of the Practice: Enhancing bio-diversity and establishing fully Eco-friendly campus

1. Objectives of the Practice:

- To create eco-friendly academic campus to host good through plantation drive and waste management system and to reduce the carbon footprint.

a. The Context

The university is located in the tropical and drought prone zone of the north Karnataka region. The university initiated to create eco-friendly campus through plantation of diverse trees and implementing a systematic waste management system, transforming the campus into lush green, and clean environment. These initiatives lead to growth of fauna and flora in the campus making it ecofriendly. Furthermore, a diverse range of fauna species now thrives within the campus environment. The harmonious coexistence of fauna and flora has fostered a clean and eco-friendly atmosphere, conducive to the well-being of all inhabitants within the campus and its vicinity.

b. The Practice

The university made the annual drives for plantation trees during the start of monsoon season every year. Apart from that many departments also planted numerous trees around their departments wherever they organized the events and activities. Some special plantation drives were also organized in collaboration with the Karnataka forest department and other NGOs. This lead to conversion of dry land into a lush green campus within short period. The shortage of water for plants and trees was managed by reutilizing the waste water after treatment.

कुलसचिव / REGISTRAR
कर्नाटक केन्द्रीय विश्वविद्यालय
Central University of Karnataka
कलबुर्गि / KALABURAGI

c. Evidence of Success

The initiative lead to creation of a large scale Eco-Zone on the CUK Campus, with the plantation of plenty of trees including **1800 fruit trees of 9 varieties** under the able guidance of Prof. Battu Satyanarayana, Hon. Vice Chancellor. There are 16 fauna and 161 flora are identified in the campus. The plantation area of around 50 acres is completely dedicated for the fruit trees to attract different species of birds to the campus. Apart the above drive, the following activities, which promote the concept of green campus has been undertaken by our staffs. Landscape drive was done by the entire university to maintain greenery throughout the university. To reduce the corban emission restrictions were introduced on the movement of fossil fuel vehicles.

Problems Encountered and Resources Required

University encountered problem of water shortage during the summer days. To overcome this problem, university initiated many solutions such as reuse of treated waste water, scheduling vacation during mid of the summer season, etc.

Best Practice: 2

Title of the Practice: COVID-19 Testing laboratory CUK

1. Objectives of the Practice:

- To help the government and people of the Kalaburagi in Covid-19 testing during the pandemic

a. The Context

The population of Kalaburagi is over 5 lakhs. Majority of these are rural region where facility for COVID-19 testing was scarce. The Central University of Karnataka helped government by setting up COVID 19 testing lab as per ICMR guidelines with the help of its faculty members form the Dept. of Life Science with the financial assistance from the GoK. The laboratory was inaugurated on 5th Nov 2020 by Dr. Rajshekhar Malli (DHO, Kalaburagi), Prof. H M Maheshwaraiah (Vice Chancellor, CUK) and Prof. G R Naik (Former Pro Vice Chancellor, CUK).

b. The Practice

As per SOP

- | | |
|----------------------------------|---|
| a) Scientist/ Research associate | 1 |
| b) Lab-Technician | 2 |
| c) Data Entry Operator | 1 |

c. Evidence of Success

Over **12556 samples** was received and analyzed from over six districts of Karnataka state

Problems Encountered and Resources Required

Availability and training of skilled manpower

कुलसचिव / REGISTRAR

Best Practice: 3

Title of the Practice: Best researcher award

1. Objectives of the Practice:

- to encourage and motivate the faculty members towards research and innovation
- to recognize both the contribution and future potential of the researchers in terms of their research and publications

a. The Context

Central university of Karnataka is aspiring to become research centric university, thus research and innovation have remained our central focus. Also, research training in cutting edge areas to the faculty members is integral to imparting quality training to the students. Thus, to incentivize the faculty members making impact in quality research, innovation and IP generation, CUK has introduced best research award since 2021.

b. The Practice:

Every year CUK invites school-wise nominations for this award from the eligible faculty members. The expert committee scrutinizes the application and finalize the paper/researcher awardees based on the published guidelines. Awardees are presented with a certificate and a memento.

c. Evidence of Success

After introducing the Best Researcher Award, the CUK secured a place in 151-200 band in National Institute Ranking Framework (NIRF) for the first time in 2022 ranking. One of our faculty member in mathematics also got a place in top 2% scientists published by Stanford University. University ensured that faculties should publish their publication only in UGC care list, Scopus and Web of Science.

Problems Encountered and Resources Required

More financial support is needed to extend this award to large number of deserving faculty members.

कुलसचिव / REGISTRAR
कर्नाटक केन्द्रीय विश्वविद्यालय
Central University of Karnataka
कलबुर्गी / KALABURAGI

Best Practice: 4

Title of the Practice: Financial Assistance to teachers for their International visit.

2. Objectives of the Practice:

- To provide financial assistance to teachers for their International visit in connection with attending Conference/Workshop.

d. The Context

International exposure and collaboration

e. The Practice

The application received is scrutinized through a committee constituted by the university.

f. Evidence of Success

Seven teachers received financial assistance from the university to the tune of Rs. 2,43,251/- during the July 2022 to June 2023. Faculty members visited countries like, Austria, Thailand and France.

Problems Encountered and Resources Required

Inadequate funding

कुलसचिव / REGISTRAR
कर्नाटक केन्द्रीय विश्वविद्यालय
Central University of Karnataka
कलबुरगी / KALABURAGI

Best Practice: 5

Title of the Practice: Best Library User Awards for UG, PG, Research Scholars, Teaching and Non-Teaching Staff and Braille Resource Centre.

1. Objectives of the Practice:

- To Promote and encourage the students and teachers to update their current knowledge on par with international standard.
- To inculcate habit of learning through reading and to gain knowledge for bright future.
- To introduce library as knowledge and information Centre.

a. The Context

To motivate the students and Faculty members to excel in their academics, and to make the efficient use of the library resources.

b. The Practice

Data from library log book is used to identify Library User Award. Winners are presented a certificate.

c. Evidence of Success

Incremental increase in the use of the library by the student and teaching community.

Problems Encountered and Resources Required

Lack of human resource in library

कुलसचिव / REGISTRAR
कर्नाटक केन्द्रीय विश्वविद्यालय
Central University of Karnataka
कलबुर्गी / KALABURAGI

Best Practice: 6

Title of the Practice: Mento-Mentee Scheme

1. Objectives of the Practice:

- Providing personal and professional mentoring the students

a. The Context

Students are subjected to various stresses in both personal and academic life. Some of the students hesitate to interact during the class sessions or otherwise on these issues with teachers. The above scheme has been floated to address this concern.

b. The Practice:

Based on the number of students enrolled in each year, the students are allocated to the faculty members equally so that they will conduct regular meeting.

d. Evidence of Success

The students have better results in the examination and participation in co-curricular and extracurricular activities.

Problems Encountered and Resources Required

Best Practice: 7

Title of the Practice: CUK-SAMARTH-eGov

1. Objective:

- To promote e-governance.

a. The Context

"Samarth" is an initiative by the Ministry of Education started in 2019, under the National Mission on Education through Information and Communication Technology NMEICT-II (now NMEICT-III), with an aim to enable the universities and Higher Education Institutions (HEIs) through a digital framework for planning, management, delivery, and monitoring of services for students, staff, and other stakeholders. Under the project, the HEIs are provided with a fully managed, cloud based, comprehensive ERP that is custom built for HEIs of the country.

b. Practice

Data feeding, generation and decision making through the portal's assistance.

c. Evidence of Success

Successful integration of portal into university administration
Ease in decision making
Timely completion of multitude of university activity

Problems Encountered and Resources Required

Modules still under development

Best Practice: 8

Title of the Practice: Learner-Centric education

1. Objective:

- To promote learner-centric approach in teaching.

a. The Context

Responding to diverse learning needs of the students, and catering to student's interest.

b. The Practice:

Informal assessment of the students' academic strengths, weaknesses, and career goals. Based on this, an individualized learning plan is proposed.

c. Evidence of Success

Outcomes and Impact: Higher student satisfaction, increased retention rates, and improved academic performance.

Sustainability: The institution is committed to sustaining and evolving the Model, adapting it to changing educational needs and providing ongoing support and resources to faculty and staff.

Problems Encountered and Resources Required:

CENTRAL UNIVERSITY OF KARNATAKA

I. About lab:

The population of Kalaburagi is more than 5 lakhs which includes most of the areas under rural region, which are deficit of availability of proper medical facility to combat COVID-19 due to very fast spread of this disease. As per the present rate it is expected COVID-19 cases can further increase due to several factors. To ensure adequate screening, establishment of additional COVID-19 testing center is crucial, especially in the area encompassing in the rural areas. The Central University of Karnataka can play a pivotal role in screening of COVID-19 cases, as the University is located near rural area Kadaganchi village, in Aland taluka; however well connected to the main city. In view of the above, Central University of Karnataka has established molecular diagnosis and research laboratory to test COVID-19 samples, approved by NIMHANS, ICMR and Govt. of India that is supported by MHRD and State Govt. of Karnataka to strengthen the testing efficiency for Kalaburagi region. This laboratory was inaugurated on 5th Nov 2020 by Dr. Rajshekhar Malli (DHO, Kalaburagi), Prof. H M Maheshwaraiah (Former Vice Chancellor, CUK) and Prof. G R Naik (Former Pro Vice Chancellor, CUK).

The COVID-19 Testing laboratory CUK has been recognized as *reallocation center by State Surveillance Unit (SSU)* and mapped to multiple state medical hospitals and COVID 19 testing centers as following

- a) GIMS Kalaburagi,
- b) VIMS Ballari
- c) BIMS Belagavi
- d) BRIMS Bidar
- e) GIMS Gadag
- f) DIMHANS Dharwad

The manpower required for complete functioning of the lab in single shift is as follows:

- | | |
|----------------------------------|---|
| d) Scientist/ Research associate | 1 |
| e) Lab-Technician | 2 |
| f) Data Entry Operator | 1 |

II. Equipment Facility:

The COVID-19 Testing Center is consisted/running with the below mentioned sophisticated analytical instruments.

Sl. No	Equipment name	Make	Qty.
1	RT-PCR	Bio-Rad (CFX96)	1
2	Automated RNA Extraction	Thermoscientific	1
3	Biosafety Cabinet Hoods	N & M	2
4	High speed centrifuge	Eppendorf	1
5	Laminar Airflow	VFC	1
6	Autoclave	Esteem Industries	1
7	Defreezer (-20°C)	Vestfrost Solutions	2
8	Vertexer	LabQuest	1
9	High-speed mixer	Eppendorf	3
10	True NAT	Molbio Diagnostics	1
11	Micropipettes	Lab Quest	6
12	Macropipette	Lab Quest	1

III.

b Capacity:

Presently the maximum capacity of the testing center is as mentioned below

Sl. No.	Total testing capacity per day	Remarks
1	96	If sample tested individually
2	250 - 300	If samples are pooled and tested

Due to the low throughput of the RNA isolation machine (12 channel) the time consumption for RNA sample extraction for 96 takes around 7 to 8 hr, the testing capacity of the lab is restricted to 250 – 300 samples (in case of pooled strategy) per day. The testing of sample is done in a single shift (9:30 am to 5:00 pm). The

कुलसचिव / REGISTRAR
केन्द्रीय विश्वविद्यालय
Central University of Karnataka
कलबुरगी / KALABURGI

details of time required for sample testing is elaborated in the below mentioned table.

Sl. No.	Analytical instruments	Description	Time required for analysis
1	Automated RNA Extraction	12 Channel (<i>Repeated for 8 times</i>)	30 Mins (Sample preparation) 40 Mins (Extraction) <hr/> 8 hours (if done simultaneously)
2	RT-PCR	96 well	1 hour
Total time required for testing per shift of 96 samples			9 hours

IV. Work Distribution in the COVID -19 Testing Lab:

Sl. No	Name of the Staff	Designation	Responsibilities
1	Dr. Rakesh Kumar Coordinator/Assistant Professor Dept. of Life Science	Nodal Officer	Supervision to ensure completeness, correctness and proper functioning of the COVID 19 Laboratory.
2	To be filled	Research Scientist	RT-PCR, Results interpretation ICMR online updating of results. Communicating with state COVID authorities for receiving of samples, processing and results declaration.
3	Mr. Pratap Walankar	Lab-technician	Sample Processing & RNA Extraction
4	To be filled	Lab-technician	Sample Processing & RNA Extraction

 कुलसचिव / REGISTRAR
 कर्नाटक केन्द्रीय विश्वविद्यालय
 Central University of Karnataka
 कलबुर्गी / KALABURGI

5	To be filled	Data Entry Operator	Updating of results in the ICMR portal and documentation work.
---	--------------	---------------------	--

V. Laboratory Proficiency Test:

The ICMR Lab proficiency test has been done twice till date. The details are mentioned below.

Sl. No.	Test done on	Result
1	31 st Oct 2020	Concordant 100%
2	27 th July 2021	Concordant 100%

VI. MOU with Brundhavana Foundation:

Brundhavan foundation is a Bio medical waste treatment facility authorized by Karnataka State Pollution Control Board, Government of Karnataka. The facility caters to bio medical waste collection, transportation, segregation and scientific disposal of Bio Medical waste. An MOU is done for the collection of Bio Medical waste generated in the Covid 19 Testing Lab in the Central University of Karnataka.

VII. Outcome Of the Laboratory till Date:

The details of the samples tested since the establishment of the lab are as follows

B. J.
REGISTRAR

12	Ballari	1081	1069	32	1037	12
13	Ballari	1489	1486	12	1474	3
Total		12556	12515	130	12385	41

VIII. Proposed Work:

Provided the support of state government continued for the manpower and consumable our lab can undertake following objectives

1. Plans to request for COVID-19 samples to be allocated from whole Aland Taluk; Kalaburagi, to the COVID-19 Testing Center, Central University of Karnataka, for regular functioning of the lab

REGISTRAR
 कुलसचिव / REGISTRAR
 कर्नाटक केन्द्रीय विश्वविद्यालय
 Central University of Karnataka
 कलबुर्गी / KALABURAGI

2. Written a proposal to State Surveillance unit to permit for the H1N1 testing and waiting for the approval.

IX. Training and Support

The lab has extended its service to 10 students of MSc Life sciences and 5 students of Department of Chemistry to train about Biohazards and sample preparation for RT-PCR, and related works.

X. Current Lab Status:

Currently we are not receiving any samples as well as consumables due to decrease in the COVID-19 cases. So, at present the testing center is managed by one lab technician for proper maintenance of the instruments. As we start getting samples in coming days, the recruitment process of the empty positions will be processed.

Also, we request state government to provide similar support provided to GIMS and other testing centers established government institution for managing man power and consumables.

NO.CUK/ADMIN-COVID-19/2019-20/

15th August 2020

To
The Deputy Commissioner
Kalaburagi,
Kalaburagi-585 104

Sub: Establishment of COVID-19, testing lab at CUK Campus -Reg.
Ref: 1) Meeting held on 13/08/2020 at O/o DC Kalaburagi.
2) KKRDB letter dated 07th July 2020.
3) Hon'ble Vice Chancellors approval dated: 13/08/2020.

Dear Sir,

Apropos subject and reference cited above, and as per the discussion held in DISHA meeting on 13/08/2020 at O/o Deputy Commissioner, Kalaburagi in presence of Hon'ble MP Kalaburagi, it was decided to strengthen COVID-19 testing lab as per the proposal submitted by the Central University of Karnataka campus, which was sanctioned by ICMR/MHRD.

In this regard, it is requested to sanction the following amount for establishment of COVID-19 testing lab as 1st installment (1 year) at Central University of Karnataka campus.

Sl. No	Recurring Items	1 st Installment (1 st Year)
1	RTPCR	1000000.00
2	Automated RNA	900000.00
3	PCR Work station	200000.00
4	Laboratory fixtures and minor equipment	1500000.00
5	Consumables for Covid-19	2000000.00
6	Technical team handling of Covid-19 laboratory equipments	2700000.00
7	Contingency	700000.00
	Total	84,00,000.00

You are requested to release the amount of first installment for procurement of scientific items, consumables and engagement of technical team handling scientific equipments for Covid-19 at the earliest.

Thanking You.

Best Researcher Award

To encourage good research and to motivate faculty involved in quality research Central University of Karnataka, Kalaburagi installed the Best Researcher Award for the faculty of the University.

In this connection all the faculty members of the University are hereby requested to submit the best papers published in peer reviewed national/international journals with good impact factor or papers published in UGC care list or in any other national/international reputed journals published from January-2020 to July-2021. The copies of published papers (hard and soft copy) may be submitted to the Director, IQAC on or before 31-08-2021 and the Best Researcher Award will be conferred on the Teachers Day i.e. 5th September-2021.
